Updates from the Prills

For your information and prayers, the Lord has opened other doors, allowing Thorsten and Kerstin to continue using their gifts and experience for His kingdom. Recognising their years of experience in cross-cultural ministry, Crosslinks has invited them to collaborate with

them in a part-time role to strengthen their support for mission partners, both those preparing for the field and those already serving. This new role complements their continuing ministry in Namibia and Scotland—mentoring, counselling, and encouraging Namibian church leaders, and supporting local churches through preaching, discipleship, and pastoral care. For further details, please contact Kwok Leung.
