In line with requirements of Fire and Rescue Service, everyone, including volunteers working in kids Sunday school and youth groups, please familiarise yourselves with the location of the fire exits in the church premises so that you can evacuate promptly in case of a fire or other major incidents. If you have any questions please ask our church ministers, church administrator, council chairperson or secretary,

English service, Sunday school and youth ministry coordinators, or students and Friday fellowship coordinators. **Please be prepared for an annual fire drill in the next few weeks – when the fire alarm goes off, everyone please evacuate promptly using the closest viable fire exit.** Children and young people in the Sunday school will be guided to safety by their teachers/leaders. Parents please do NOT go to collect them and just evacuate as normal and meet them at the fire assembly points which are located in front of the church building.
