Partnership with the Bible Society UK & Overseas in using the Spark Digital Bible Platform

The Spark Digital Bible Platform is a Chinese digital Bible resource jointly developed by the Bible Society UK & Overseas and the United Bible Societies. Its aim is to provide diverse ways for believers to study and explore the Bible from different perspectives. The platform brings together multiple Bible translations, authoritative study resources, easy-to-use learning courses, as well as video content, current-affairs reflections, and community interaction—helping users stay connected with God’s Word anytime and anywhere.

To support the continued development and enhancement of this valuable resource, our church is pleased to participate in this partnership. We encourage brothers and sisters to make use of this special discounted offer to access high-quality Bible study tools, while also blessing the organisation as they continue to improve the platform for the benefit of many churches.

The church has committed a donation of £1,000 to the Bible Society. In return, the organisation will provide at least 50 access slots, allowing each registered email to subscribe for only £20. After registering with the discount code, users will be able to enjoy 200 questions/queries per month for six months (July–December).

Brothers and sisters who are interested are invited to sign up through the link before 1 July. A discount code will then be issued for immediate use. We hope this resource will help everyone grow deeper in God’s Word and strengthen their spiritual life.

Rooted | Envision | Collaboration | Unity

Jointly organised by Alpha UK, the British & Foreign Bible Society, London City Mission and Operation Mobilisation UK, NEXT is a platform that connects Christians, ministry organisations, and churches who have a heart for Chinese ministry in the UK church. It will be a time of connection, envisioning and learning to explore the NEXT chapter of Chinese ministry in the UK together!  

Two centuries ago, missionaries from the West travelled by sea to Hong Kong & China to bring the Gospel to the unreached Chinese land. Today, we will have a chance to envision how the Chinese ministry may bring a evangelistic impact in the UK onboard Logos Hope. Following the fruitful gathering last year at NEXT25 with 150 leaders from across the country, this year we hope to bring together the Chinese and also the UK local churches to explore the mutual impact they have on one another.

PRAYER NEEDS

- ❖ Let us pray for the world – for all people who are caught up in conflicts of all forms in all parts of the world, including those in the Middle East and Ukraine. May the Lord have mercy and may his church community have wisdom and compassion to respond to the needs of many! In addition our thoughts and prayers are with all those impacted by the recent earthquakes in Venezuela.

- ❖ Let us pray for the country – for all those in authority as we are about to change our prime minister. May the Lord have mercy upon everyone in the country!
- ❖ Let us pray for our community – for all those who have been affected by the recent train crash involving a service from Nottingham, and by the recently published review of the maternity services in Nottingham.

If you would like to post any notice or prayer items, please contact the church administrator at enquiries@nottinghamccc.org.uk by **Monday evening** for inclusion in the following week's bulletin.
